

Welcome to Bugatti

The Brand Bugatti stands for exclusiveness, luxury, elegance, outstanding design and enormous passion. Unique visions, the strong tradition of legendary sports cars as well as the technical precision in development, construction and production – they form this brand since its founding in 1909, by Ettore Bugatti.

Become a part of this tradition. We invite you as:

BG-F Referent Data Protection and Risk Management (m/w/d)

Your tasks

Risk Management

- Implement and maintain an adequate risk management and internal control system (RMS/IKS) within BUGATTI brand companies
- Implement and carry out appropriate risk management processes
- Regular reporting on the main risks, the status of control and control activities, as well as weaknesses to the management of the companies and other relevant bodies
- If necessary, a report line to the management of the respective company and a disciplinary reporting line on the overarching responsible function. If necessary, further development of the position is possible depending on experience and qualifications

Data Protection

- Centralising the competences and monitoring of data protection issues in accordance with French law, where appropriate in coordination with the legal and compliance function
- Coordinate the processing of data protection topics with internal interfaces and external consulting firms

Your qualifications

- Completed university studies (bachelor or master) or comparable training with specialisation in law, data protection and risk management
- Several years of professional experience in the field (minimum 5 years)
- Experience in the automotive sector is an advantage
- Knowledge of Microsoft Office
- Very good knowledge of French and English and/or German
- Teamwork
- Commitment to independent and flexible working

Please join us and apply – with stating the position above – to recruiting@bugatti.com.
